Special Voting Cycle #16b

begins on Thursday (Nov 2nd) at 19:00 GMT and runs until Wednesday (Nov 15th) at 19:00 GMT.

For a non-grant proposal to proceed to a vote, four of the top 100 delegates, of the current votable token supply, must give explicit approval on the discussion thread. Delegates may not approve their own proposals. Proposals that may only be initiated by the Foundation do not require delegate approvals and will automatically move to a vote.

A snapshot of delegate voting weights will be taken at the start of the voting window. Voting will take place via the Optimism Governance Portal .

The following proposals are eligible for voting in Special Voting Cycle #16b:

1. Vote on Intent Budgets (proposed by Grants Council Lead)
2. Vote on Chain Delegation Program
