

Proposal Name:

Ethics Managers for Ape Coin DAO

Proposal Category:

Ecosystem Fund Allocation

Abstract | Two or three sentences that summarize the proposal.

The fund has recently been plagued by bad actors misusing and taking advantage of current Ape Coin DAO Rules. Hiring Ethics Managers will allow for there to be a complete ethics review of all votes and proposals before implementation.

Author Description (mandatory if the AIP is requesting funds) | A brief background of yourself

I am the Director of Partnerships and Marketing Co-Lead at Sappy Seals/Pixl Labs. I have experience in ethical management, as well as governance. With my background, and using other independent manager we can bring equality and justice back to the DAO.

Team Description (mandatory if the AIP is requesting funds) | A brief background of your team involved, if any

The team will be comprised of people who own less than 5 Yuga Labs assets, have a proven track-record of ethical decisions, and have a vested interest in furthering Web3.

Motivation | A statement on why the APE Community should implement the proposal.

To turn the public image of the Ape Coin DAO around, alleviate controversy, and instill equitable + ethical governance.

Rationale | An explanation of how the proposal aligns with the APE Community's mission and guiding values.

The DAO was created to prop up builders, not a select few who can game the system. This role will allow for further reviews from independent contractors.

Key Terms (optional) | Definitions of any terms within the proposal that are unique to the proposal, new to the APE Community, and/or industry-specific.
