Our Mission:

Welcome Apes is driven by a mission to support and nurture BAYC and MAYC members. We strive to identify, vet, and warmly welcome new members through informative weekly sessions where newcomers can connect, share stories, and find guidance. Our goal is to establish a central hub of information and community for all Club members.

Role and Culture:

Rapidly becoming a cornerstone of BAYC culture, Welcome Apes is a testament to community-driven initiative. Volunteers contribute tirelessly by hosting events, creating art, managing social media, and personally welcoming new members. We celebrate each new ape's journey into the club, recognizing their achievement and providing essential support as they navigate the BAYC and ApeCoin ecosystems.
