

# First Contribution Guide

Unsure where to begin contributing to Secret Network?

You can start by looking through [open issues labeled with help-wanted](#).

The full documentation is available online if you want to learn more about Secret Network and how to build Secret Contracts and secret apps.

## Submit Pull Requests

The process described here has several goals:

- Maintain Secret Network's quality.
- Fix problems that are important to users.
- Engage the community in working toward the best possible Secret Network.
- Enable a sustainable system for Secret Network's maintainers to review contributions.
- 

Please follow these steps to have your contribution considered by the maintainers:

1. Choose from the list of [templates](#)
2. and follow all instructions.
3. After you submit your pull request, verify that all [status checks](#)
4. are passing.
- 5.

Keep in mind, that the reviewer(s) may ask you to complete additional changes before your pull request can be accepted.
