## Onchain Proposals

### 1. [Funds to Bolster Foundation's Strategic Partnerships Budget](#)

(Voting ends on Oct 17, Thursday)

This AIP proposes to fund the Foundation with 250M ARB to better support strategic partnerships across (non-exhaustive):

Expanding orbit chains and the RWA ecosystem, and

Being a gateway for many traditional and/or enterprise orgs to access the DAO.

A special strategic partnership allocation will be expanded upon in future Transparency Reports to enhance visibility into how these partnerships are structured and how resources are allocated.

### 3. [ArbitrumDAO strategic “Off-site” \(online\)](#)

(Voting ends on Oct 18, Friday)

This AIP proposes to enhance the alignment, communication, and collaboration in the DAO through a series of coordination and workshops via a 8-week sprint with 35,266 ARB.

It aims to achieve:

Alignment on DAO priorities for the next 6 months,

Engagement from top delegates and key stakeholders,

Clarity to the broader DAO enabling them to rally around priorities, and

Positive feedback with a strong desire to continue similar initiatives.

This proposal involves the allocation of 100,000 ARB that was already budgeted for from LTIPP, for retroactive funding to community members who have made valuable contributions during the Pilot Program.

The decision is made through an Approval vote, where delegates can select multiple options, and funding is awarded to applicants with at least 75M votes in favor.

DAO members who felt they contributed meaningfully to the LTIPP program applied via this forum thread [LTIPP Retroactive Community Funding](#).

### 2. [Establishing a DAO Events Budget for 2025]

](<https://snapshot.org/#/arbitrumfoundation.eth/proposal/0xdf7e7bf7e5bc227fc06765f37d9d9ecd1371e637b93b574ae4cc4c1d345cd648f>) (Voting ends on Oct 17, Thursday)

The proposal aims to establish a budget of \$1.5M for DAO events in 2025 to support Arbitrum's presence at major industry events and facilitate in-person initiatives to enhance collaboration and operational efficiency.

The initiative will focus on delegate gatherings and ecosystem growth events, with a structured process for selecting event providers and ensuring alignment with the broader ecosystem.
