If you'd like to present something, please get in touch so I can block out some time for you! In particular I'd love to hear from anyone with data on Uniswap liquidity post-incentives.

I've upgraded my zoom sub so should we shouldn't run into issues with the 100 person limit

Agenda:

- Introduction
- Liquidity mining
- Review of liquidity conditions / TVL
- Key performance indicators
- Pros and cons of liquidity incentives

- Open discussion

How can you participate/contribute?

- Attend!
- Present something of interest to you! Reach out to me so I can put you on the agenda
- Take meeting minutes / written notes that we can post for the community after the call

- Help build/curate analytics dashboards for the community

Look forward to seeing everyone on Tuesday!
