

Avail's Unification Drop

BEFORE WE PROCEED

1. No Avail employee will EVER
2. reach out to ask you for your private keys/seed phrases.
3. There is only one official claims portal, and that is claim.availproject.org (opens in a new tab)
4. . Any other website claiming
5. to be an official/unofficial/affiliated claims portal cannot be trusted.
6. Check your eligibility by going to the Avail Claims Portal, accepting the [Avail Mainnet Terms & Conditions](#) (opens in a new tab)
7. and the supplemental [Airdrop Terms & Conditions](#) (opens in a new tab)
8. as well as following the claims process. ELIGIBILITY CRITERIA FOR THE UNIFICATION DROP Please read [this blog post](#) (opens in a new tab) for more information about the unification drop, including the eligibility criteria. YOU WILL NEED AN AVAIL WALLET ADDRESS To verify your claim, you will need an Avail wallet address that you have access to. You can check out the [Set up an Avail Wallet](#) page to learn how.

How to check your eligibility

1. Go to claim.availproject.org (opens in a new tab)
2. .
3. There are two main criteria for eligible claimants:
4.
 - Clash of Nodes and Light Client Challenge
5.
 - : In this case, connect your Avail wallet to the claims portal using the same address
6.
 - you used to participate in these challenges.
7.
 - Other categories
8.
 - : We are also rewarding a larger pool, subject to the eligibility criteria that you can read [in this blog](#) (opens in a new tab)
9.
 - ,
10.
 - in which case you will need to connect one or more of your Github, Ethereum-compatible, Starkware or Twitter accounts.
11. Next, follow these instructions on the claims portal to verify your claim based on the categories you are eligible for:

Clash of Nodes or Light Client challenge rewards:

- Connect your Avail wallet to the claims portal.
- Next, sign a message from your wallet to prove ownership of the address.
- If eligible, you will see a claim button that you can click to verify your claim.
- Lastly, you will get a final pop-up message that you will need to confirm.

CLAIMED REWARDS WILL BE SENT WHEN AVAIL DA MAINNET LAUNCHES

The successfully claimed rewards from Avail's unification drop will be sent to your Avail wallet when Avail DA goes live on mainnet

To verify your claim with your Ethereum-compatible or Starkware wallets:

- Connect your respective Ethereum-compatible/Starkware wallets to the website.
- Next, sign a message from the connected wallet to prove ownership of the address.
- If eligible, you will see a claim button that you can click to verify.
- You will need to connect your Avail wallet in order to be able to collect these rewards when Avail DA mainnet launches.

To claim your rewards with your Github or Twitter accounts:

- Connect your Github and/or Twitter account to the website to see any associated rewards.
- If eligible, you will need to connect your Avail wallet to the claims portal.

- For this process, you do not need to sign a message from your Avail wallet.
- If eligible, a claim button will be available to receive your rewards at the connected address when Avail DA mainnet launches.

Share your rewards on X

Once you've successfully submitted your claim registration, you can share this on X by clicking on the 'Share on Socials ' button.
