

Simple Summary

Gauntlet recommends to increase PYUSD Supply Cap to 20M

Specification

Ethereum Aave V3

Parameter

Current Value

Recommended Value

PYUSD Supply Cap

10,000,000

20,000,000

Supporting Data

The supply cap for PYUSD was hit within 2 days of listing on the ETH v3 market. There is substantial liquidity within [Curve](#) for this non-collateral enabled stablecoin to have the supply cap increase
