

## Basic Info

Season 5 Intent: 4 Optimism Gov and RPGF into University Courses

Mission Objectives:

Implementation of OP educational modules

distributed over two academic semesters

with the goal of expanding to a minimum of two universities

# Progress Report

As of July 31, 2024, a complete blockchain module has been implemented at Universidad Continental.

The content includes Optimism Gov and RPGF.

1. Introduction to Blockchain
2. Introduction to DeFi
3. NFT 101: Beyond Art
4. Optimism Governance and RetroPGF ([Optimism Delegate](#) as a Guest Lecturer)
5. Optimism and the Superchain Ecosystem
6. Digital Security in Web3
7. Pricing Web3 and Business Models in Blockchain

Additionally, this is not a module in itself, but we took the opportunity to incorporate topics on blockchain, Optimism Gov, and public goods in the student congress.

Regional Congress of Economics Students Lima - Universidad Nacional Agraria La Molina

- Let's Talk About Decentralized Economy
- Public Goods on Blockchain: A Modern Approach
- Blockchain for Economics Students

Regional Congress of Economics Students Huancayo 2024

- Tokens, Digital Currencies, and Public Goods on Blockchain

# Attestations and Impact Metrics

For easier tracking of topics, dates, and student participation, the OP mission has its own schema in EAS:

## Next Steps

For the next semester, the module will be repeated at Universidad Continental.

Additionally, the module will be incorporated into another university

with a similar content structure and will continue participating in regional student congresses

.
