

Hi Uniswapers,

I've been in the DeFi space for quite some time and an early adopter / user of Uniswap. I will continue to build on top of Uniswap, create and vote new proposals.

You can find me here: <https://twitter.com/bneiluj>

I will be the voice of the lowly and oppressed and forgotten DeFiers, champion of the under dog. We will march across DeFi and turn it over, stone by stone!

To vote:

1. Go to <https://app.uniswap.org/#/vote>
