## **\$APE Holding Minimum for Grant Requests**

### **PROPOSAL DESCRIPTION:**

The influx of grant requests in ApeCoin DAO is creating significant downward price pressure and political stress for major delegates and holders in ApeCoin DAO. This proposal is proposing a minimum requirement of 500k ApeCoin held by any proposer who aims to make a grant request in ApeCoin DAO of more than 50K ApeCoin.

I believe this will limit the amount of grift grant requests, and will reserve significant grant requests for deeply aligned and invested community members within the DAO.

### **BENEFIT TO APECOIN ECOSYSTEM:**

Preservation of \$APE price/value and deeper alignment within the community.
