wethDYDX Smart Contract

Overview of the wethDYDX Smart Contract

dYdX Foundation continues to track locked token holders' wallet addresses to determine whether any transfers have been made in violation of legal agreements. The dYdX Foundation has expressed its willingness to bring legal action against locked token holders who do not comply with the applicable requirements.

Any wethDYDX and/or dYdX-Chain DYDX tokens received in exchange for locked ethDYDX tokens shall continue to be subject to the same transfer restrictions and release schedule
