

This poll will narrow down the 9 mission statement submissions to 8 finalists that will go up for a DAO-wide Snapshot vote.

- Choose up to three of your favorite options
- The poll will close at 11:59pm PST on August 2nd
- Finalists will have the opportunity to appear on an ApeCoin Twitter Space on August 3rd to share their statements and explanations with the community. Time TBA

Thanks to everyone who submitted and thank you for taking the time to read, understand, and help select our future mission statement!

What makes a good mission statement?

A good mission statement should clearly define the purpose and goals of an organization, providing a sense of direction and helping to unify the members of the organization around a common set of objectives.

## Mission Statement Submissions

- ApeCoin DAO exists to distribute \$APE – empowering our community to build and participate in the future of the greater metaverse, today.
- ApeCoin will be the token that powers the future of web3. We support community-led initiatives in art, gaming, entertainment, and events that advance and innovate technologies and experiences.
- ApeCoin DAO is a place to foster community ideas and expanding the culture of \$ape. A haven for builders, artist and all every holders who share the vision of \$ape as the currency of metaverse which we all are building together.
- To empower the growth and development of the APE ecosystem & Web3 culture in a fair and inclusive way.
- To expand ApeCoin utility and bring web3 culture to life by connecting and empowering creators and communities, one grant at a time.
- To connect and empower creators and communities who bring web3 culture to life in both the real world and the metaverse.
- At ApeCoinDAO, our mission is to revolutionize the digital landscape by harnessing the strength of our globally united community. We are a decentralized autonomous organization, committed to empowering the APE ecosystem and fostering innovation within the metaverse and gaming economies.
- To propel the widespread adoption of ApeCoin by empowering the community through creative exploration in the Metaverse and IRL through transparent funding, innovative initiatives and inclusivity to create an equitable, sustainable decentralized organization that withstands the test of time.
- ApeCoin's mission is to become the coin of metaverse culture and blockchain gaming.

### [AIP-256 - ApeCoin DAO Mission Statement - Request for Submissions](#)

- August 3, 2023 - Workshop 3 - [@apecoin](#) Twitter Space - announce 8 finalists and have them share their mission statement prior to sending to DAO-wide vote in which voters will select their preferred mission statement.
- August 3, 2023 - Socialize the mission statement finalists including native-speaker translations in Mandarin, Hindi, Spanish, French – both written and on video where possible. To further increase accessibility we will include as many native speaker translations into as many languages as possible.
- August 10, 2023 - Send the Mission Statements finalists to DAO-wide vote for approval and finalize the ApeCoin DAO Mission Statement based on the results of said vote. As an approved part of this AIP, this vote will go up in a format similar to the final phase of the Special Council elections where voters will have the opportunity to vote for one option out of the 8 finalists or choose, “none of the above.”
