

Hi Numeratis, I am the dev of [NumerBay](#), the community marketplace sponsored by the Council of Elders.

Since the launch of Numerai's crypto tournament, there has been people asking about whether NumerBay should support this new tournament to facilitate buying and selling of crypto tournament predictions. Advised by the CoE, this anonymous poll is created to help gauge the demands. Your inputs are greatly appreciated!

Do you want to see NumerBay supporting the crypto tournament? (Choose up to 3)

- Yes, I want to sell my crypto predictions
- Yes, I want to buy crypto predictions
- Yes, but I don't plan to trade on NumerBay
- No
- What's NumerBay?
