

Funding

We would like to thank projects, individuals, and agencies who have helped support Blockscout open-source explorer growth either through direct giving or grants to support instances.

We are open to additional grant opportunities and [welcome queries](#) from projects in need of a new open-source explorer instance or maintenance of their current instances.

Funding grants include:

- Seed Grant from the [Ethprize Foundation](#)
- (2018)
- [Gitcoin Grants](#)
- rounds (ongoing)
- [Community governance funding from Astar](#)
- to support Blockscout instances for their networks (2021)
- [GnosisDAO funding](#)
- to support Gnosis Chain Blockscout instances (ongoing)
- [Optimism RetroPGF2](#)
- (2023)
- [ETC Grants DAO](#)
- (2023)
- Grant support from the [Ethereum Foundation](#)
- (2023).
