

Hi everyone,

Just a heads up - our dYdX Forum Code of Conduct has been officially live for a week now! You can check it out here [dYdX Code of Conduct](#).

I want to extend a huge thank you to everyone who contributed their ideas, suggestions, and feedback. This was a collaborative effort and it wouldn't have been possible without your valuable input.

A special shoutout to [@lordcrisy](#), [@tane](#), [@magg](#), [@luisqa](#), [@gaoa97](#), and [@leonoorscryptoman](#) for your active involvement in this initiative. Your contributions have been instrumental in shaping this important document.

Remember, as I mentioned in my initial post, this Code of Conduct is a living document. It will be regularly updated to reflect the trends and needs of our community. We're planning more initiatives like this, so stay tuned!

Your ongoing feedback is crucial for us. Please feel free to share your thoughts on the recent updates and changes. We're keen to know how you feel and what you think.
