### III. Community Engagement:

- Further marketing and engagement tracking will start upon date of GM farm launch and initial \$ARB incentives to the lending pool / GM farms

### IV. Partnerships and Collaborations:

- Partnered with D2 Finance to enable supplying liquidity to GM farms as part of D2 quant trading strategies. This partnership is synergistic to allow D2 leveraged access through full audited strategies while driving volume through Rodeo/GMX farms
- Initial discussions with Nitro Cartel in regards to creating a leveraged GMLP farm
