

The Bridge was pulsechain...(did not work...but sent my (appox.)1200 DAI, I had, to DAI/Maker token address). So, MetaMask said I could ask the DIA company...(Maker/MakerDAO?) to send it back to me.
0x930539D4AE628f7b2A2386E81523D4002744c66b

As I figured, finding a place where I can actually say anything, (in MakerDAO), seems impossible, (so far). Can anyone direct me to a place, I can plea for some relief...for this issue...if there is any.

The Bridge was pulsechain...(trans action seemed delayed forever)...but sent my (appox.)1200* DAI, I had, to DAI/Maker token address). (I just wanted to see the DAI icon).

So, MetaMask said I could ask the DIA company...(Maker/MakerDAO?) to send it back to me.
