

# API reference

This section provides reference information for the various Gas REST APIs. Use the APIs to:

- [Get EIP-1559 gas prices](#)
- [Get the base fee history \(in GWEI\)](#)
- [Get the base fee percentile \(in GWEI\)](#)
- [Get the busy threshold for a network](#)

info You will need your [API key](#) and [API key secret](#) to authorize your account to use the APIs.
