

# SDKs

npm install helius-sdk

## Official Helius SDK

We've created an official Typescript/Javascript SDK to make your life easier.

Get started with the most powerful Solana SDK here: [GitHub - helius-labs/helius-sdk](#) [GitHub](#)

## Unofficial Community SDKs

Our amazing community members have also created their own SDKs to interact with our REST APIs. Please note these are not officially maintained by our team. \* \* [Python SDK](#) \* \* [PHP SDK](#) \* \* [Kotlin SDK](#) \*

## Start Building
