

How to Buy ZF

Step by step tutorial

1. Head to our Swap page at <https://zkswap.finance/swap>
2. and connect your wallet
3. If you want to use another token to swap to ZF, change it at the ETH token showing by default
4. If there's no need to update the ETH, start entering the amount to swap
5. Hit on "Swap
6. " and "Confirm
7. " the transaction on Metamask.
8. Kindly wait for transaction to complete!
- 9.
