

Create a New Wallet

Start here to generate a new wallet via our browser extension[Suggest Edits](#)

Step 1

- Download the browser extension[here](#)
- .
- Once installed, make sure to pin the extension.

Step 2

- Click the extension and go to "Create New Wallet"
- Enter a secure password

Step 3

- Save your wallet's secret recovery phrase!!Important
- Click on "Save this Wallet's Secret Recovery Phrase" at the bottom of your newly created wallet
- Enter your password and hit continue
- Click the reveal button and store anon-digital
- copy of your secret recovery phrase somewhere safe. You will need this if you ever forget your password or lose access to your wallet for any reason

That's it!
