Stakin ETH LIDO Postmortem March 2023 - Details

2023-03-07 & 2023-03-08 Stakin Lido Ethereum Validators Outage Postmortem Introduction On March 7th and 8th of 2023, Stakin experienced two separate incidents that impacted 1,000 validators on two different occasions. This postmortem aims...

Thanks to the calculations of Lido team and estimates from Rated, we have calculated that the 2 incidents resulted in approximately 2.8811 ETH of missed staking and MEV rewards.

To compensate stakers for these issues, we have transferred 2.8811 ETH to the Lido Execution Layer Rewards Vault, 0x388C818CA8B9251b393131C08a736A67ccB19297, in the following transaction:
