

We are reaching out to our customers to understand how to improve experience in staking with [Lido.fi](#).

It would be a 15-minute chat in Zoom and it would help us to make the staking process on [Lido.fi](#) better.

The conversation will be with our customer researcher, Mariya [[email protected]]

How it would be:

- This isn't a sales call.
- There'll be no trick questions.
- It takes just 15-minutes.

There are a few times available in Mariya's calendar that you can book directly [Calendly - Mariya Muzyko](#).

But if none of those work, feel free to reply with your availability to [[email protected]]

](/cdn-cgi/l/email-protection#2c414d5e45554d0241596c40454843024a45) and we'll set something up.

Participants may or may not receive a small merch package from Lido.....
