PKing - 3D MOBA mobile game: YugaNFT+ApeCoin as game currency

PROPOSAL CATEGORY:

Ecosystem Fund Allocation

TEAM DESCRIPTION:

The PKing team is composed of a group of professionals who love games and blockchain technology. Our team members have extensive experience in game and web3 project development, and have participated in the development and promotion of multiple successful projects.

Corporate entity:

Coplayer Limited

Core team member:

- Beason: Co-founder
- Woody: Co-founder
- Ken: Core developer
- Bert: Core developer
- Stanley: Community management

ABSTRACT:

PKing is a MOBA 3D pixel racing metaverse enlightenment game created for Meebits&Ape. Players can transform Meebits into PKing racers, DIY their own cars, and compete with global players online in a thrilling racing collision game. Explore the fun of character growth. The background of the game is set in the mysterious metaverse where humans, aliens and AI coexist after the Third World War. We will provide players with an immersive and fantasy metaverse experience. The PKing game will adopt both F2P and B2P modes to ensure that every player can participate. Through the game, we can enlighten the genes of the human metaverse and start the Genesis War.

BENEFIT TO APECOIN ECOSYSTEM:

ApeCoin's current influence is mainly concentrated on the Web3 user group, and Web2 has a huge incremental market waiting to be developed. By promoting APE through PKing, we can quickly cover APE's brand awareness to a large number of traditional game user groups, and further expand APE's influence in Asia. Through PKing games, APE tokens will be widely used. Usage scenarios include purchasing limited game props, vehicle upgrades, skill enhancements, etc.

Increase APE influence and usage scenarios through games

Increase APE currency holders through games

APE Become a deflationary token through games

APE and YugaNFT IP derivatives development through games

Buy back APE and BAYC, MAYC, Punks, and Meebits through game revenue

Enhance APE, YugaNFT holders joyment (Exclusive props, member rights, airdrops)

KEY TERMS:
