

Hello Ape holders!

I'm a journalist in Brazil. I write for the biggest journal called Metropoles, and we have 40 millions readers per day. A friend called Caio Vicentino told me to send a message here to ask you guys how can i publish the BYC projects in my journal.

This is my Column: [Caroline Kalil | Metr  poles \(metropoles.com\)](#)

Looking forward to it!

Caroline Kalil.
