

Hey,

once again I'd like to invite all the delegates to the fifth Open Governance Call this Wednesday. Please mark your calendars (or you can subscribe to the [public Arbitrum Governance calendar](#) and always be up to date with our calls).

The call will take place again on Google Meet: meet.google.com/ouo-uskg-niq on Wednesday, 23.08.2023 at 4pm UTC (same as last time).

We'll keep the agenda a bit flexible as before and will adapt to whatever will be brought by the participants, but overall the structure will be as follows:

1. Updates from on-going DAO initiatives (grants, liquidity incentives, other).
2. Ongoing or upcoming proposals looking for delegates attention
3. Updates from the Arbitrum Foundation
4. Open mic

Please post in this threads all the other topics that you would like to cover and don't hesitate to show up in person to present your issues directly to the delegates.

We will record and publish the call.

Hope to see you all on Wednesday!
