

Hey,

a friendly reminder, that we're having a fourth Open Governance Call this Wednesday, please mark your calendars (or you can subscribe to the [public Arbitrum Governance calendar](#) and always be up to date with our calls).

The call will take place again on Google Meet: meet.google.com/ouo-uskg-niq on Wednesday, 26.07.2023 at 4pm UTC (same as last time).

I propose the following agenda:

- Discussion on recent proposals
- ** Reflection and discussion on Camelot's proposal
- ** Questbook's Grant Framework proposal
- ** Update Security Council Election Start Date to Ensure Time for Security Audit
- ** Updated Rari proposal
- ** any other proposals that we might want to discuss (please mention them in comments so that we can prepare to discuss them)
 - Updates from the Foundation
- ** Foundation Grants programme and its' relationship with DAO Grants Frameworks
- ** other topics from the Foundation
 - Other issues related to delegates that need to be discussed (please mention them in the comments upfront if possible so that we can prepare for discussion)

We will record the call and publish it later on for a public review, so please keep that in mind.

Hope to see you all on Wednesday!
