## Nomination Statement

Concise statement on why you are running for the Metaverse Working Group

I am running for the position of Steward in the Metaverse Working Group to bring my extensive background in the entertainment and motion picture industry into the realm of the metaverse. My passion for world and experience creation, coupled with my experience as a veteran designer and department coordinator, uniquely positions me to contribute meaningfully to the ApeCoin DAO's vision for the metaverse.

## Motivation

Details on your motivation for becoming a Metaverse Working Group Steward

My motivation for becoming a Metaverse Working Group Steward stems from a deep belief in the transformative power of virtual spaces. I am committed to fostering a dynamic and inclusive community that not only supports content creators but also drives the cultural evolution of the metaverse. This role aligns with my dedication to building immersive experiences and connecting diverse communities within the ApeCoin ecosystem.

## Rationale

Share relevant experience and skills that will bring value to the ApeCoin community

As a seasoned professional in the entertainment and motion picture industry, I bring a wealth of experience in design, coordination, and community engagement. My track record in founding The United Grand Hall of The Sandbox and The United Grand Hall of Mocaverse, along with my leadership in establishing relations between ApeCoin DAO and the metaverse community on social platforms, exemplifies my commitment to community building and collaboration.

## Specifications

Further describe relevant experience, including crypto and governance participation, and/or ideas for DAO improvement

In my role as a certified builder in The Sandbox metaverse and my contributions to the Animoca Brands ecosystem, I have demonstrated a capacity for innovation and strategic thinking. My involvement in an X (Twitter) weekly community space has not only established relations but has also showcased my ability to navigate and contribute positively to the digital space.

## Concluding Statement

Summarize your statement as to why you are the best choice for the Metaverse Working Group

In summary, my unique blend of professional experience, entrepreneurial spirit, and active participation in metaverse communities make me the ideal candidate for the role of Metaverse Working Group Steward. I am eager to leverage my skills to create a thriving metaverse environment, drive cultural advancements, and contribute to the success of ApeCoin DAO in the evolving digital landscape. I am ready to take on the responsibilities of this stewardship with dedication and creativity, making a lasting impact on the ApeCoin metaverse community.
