

Thank you all who joined the [previous](#) call. The next call will be in about two weeks. The time is a little later than previously to make room for the Eth2.0 Community Call. Moving forward it will return to its normal time. Stay tuned for announcements.

Date: Tuesday January 14th @ [16:30 UTC](#)

Estimated duration: 1.5 Hours

Agenda: Stateless Ethereum

- Witness format
- Roadmap

If you would like to be added to the Call invite list please reach out and I am happy to add you.

If you haven't had a chance read up on the latest post from the Eth1.X files.

The 1.x Files: The State of Stateless Ethereum

In the last edition of The 1.x files, we did a quick re-cap of where the Eth 1.x research initiative came from, what's at stake, and what some possible solutions are. We ended with the concept of stateless ethereum, and left a more detailed...

Cheers,
