

Hello Ape family,

We are “Ape Water

”. The first sustainable All-American spring water brand with a web3 community focus.

[Ape Beverages](#)

[Ape Beverages Pure Spring Water | Quench Your MetaThirst | Ape Water](#)

Ape Water is the first sustainable water beverage for the Web 3.0 community. Sourced from one of the world's best natural springs - Mt. Shasta.

Happy to have an engaging conversation with the collective about our product launching in the United States soon.
