Thoughts for Cycle 3

We have received feedback from various participants and stakeholders on how the Delegate Reward Initiative can be improved.

For Cycle 3, we will examine incorporating the following elements

1. Governance Data Platform
2. Automated Communications and Voting through third party like Karma
3. Exploring more criteria for full rewards

We want to open the floor for different ideas , suggestions, as well as concerns. Specifically, any case studies or theories or data would be quite helpful to the discussions.
