

ApeCoin Radio

is a fun little experiment that [@Adz](#) and myself have spun up, attempting to lay down the tracks for what a Decentralized Radio Station could look like. More on that later.

We wanted to get this out to you asap so you could get to know your fellow members better. We've invited all candidates and this list will be updated as they respond.

Without further ado, ApeCoin Radio presents:

Series Two: Special Council and Governance Steward Nominations (no particular order):
