

EpicWeb3 DeFi Day Event Recap!

Hey everyone!

I'm excited to share the highlights of our awesome experience at the EpicWeb3 DeFi Day event! Here's a quick rundown:

Remarkable Success: With 120 attendees, our presentation stole the show! Our presentation received praise for its engaging nature and stood out from the rest:fire:. Check out the presentation [here](#).

Networking Power: We made valuable connections with top developers and builders from leading protocols like Kraken, Davos, Lido, Ankr, and more!

This opens up opportunities for collaboration and partnerships.

Reinforcing our Presence: The event was a perfect platform to showcase our dYdX V4 testnet launch, solidifying our position as a leader in DeFi.

Expanding the Community: We met amazing individuals, introduced them to the vibrant dYdX ecosystem, and highlighted the perks of joining our growing community! Let's keep building together.

The Future is Bright: We're proud of our accomplishments and excited about what lies ahead. Thank you to [@Alexios](#) for the grant on the community cauldron!

Let's continue driving the evolution of decentralized finance and shaping the future of dYdX!

Thanks for being a part of our journey! Stay tuned for more updates.

Best regards,

Ax07 & [@AndyGG](#)
