

Great initiative, [@liz](#)!

Most of the candidates have been interviewed by [@arbitrage](#) on [OHWA](#), which in some ways are long-ish intros. I say this because I'm one of them, and I'm not as industrious as [@liz](#), to post a video intro here.

Besides that, I'm usually on [@arbitrage](#)'s [twitch](#) a couple of times, every week. Please AMA there, if you'd like. And you can always DM me on [Rocketchat](#) if you'd want to AMA in private.

shameless\_self\_promotion() {

One more thing: [@jrai](#) and I host a weekly Clubhouse chat, every Wednesday at 15:15 UTC on all things [Signals](#), please join us there if you're a card carrying member of the cult of the bitten fruit, like I am (wen CH on Android?! ) and AMA.
