

Abstract:

Make the Apecoin twitter account an “Official Org” on twitter via subscribing to the Verified Organizations feature.

Background:

Having a “Official Org” status on twitter, will make it harder to impersonate due to the square box standing out, thereby making it safer for all in the ApeCoin ecosystem. Those with official roles within the DAO can also get a tag for an additional fee.

Motivation:

Safety as well as recognition for users.

Steps to Implement:

Allocate funds and subscribe, chalk it up to “operational costs” under security and marketing

Timeline:

ASAP

Overall Cost:

Verified Organizations is \$1,000.00 per month (plus any applicable tax). Each additional affiliated account is \$50.00 per handle per month (plus any applicable tax).

More Details on Verified Organizations can be found here:

help.twitter.com

Verified Organizations

Twitter Verified Organizations enables organizations of all types to sign up and manage their verification and to affiliate and verify any related account.
