Delegate Platform or Philosophy:

- Alignment with Optimism's Vision and the Superchain Initiative:

We are committed to supporting Optimism's mission to build a scalable, decentralized future through the development of the Superchain—a unified network of Layer 2 chains that enhances interoperability and scalability across the Ethereum ecosystem.

- Advocacy for Retroactive Public Goods Funding:

We strongly believe in Optimism's approach to Retroactive Public Goods Funding. By rewarding projects and contributors after they have demonstrated impact, we can incentivize meaningful innovation and development within the community.

- Commitment to the Optimism Collective Values:

Upholding values such as transparency, collaboration, and inclusivity, we aim to contribute positively to the governance process, ensuring that decisions reflect the best interests of the broader community.

- Education and Empowerment of the Latino Community:

Our platform is dedicated to engaging and educating the Latino community about the opportunities within Optimism and the broader Ethereum ecosystem, fostering diversity and broader participation.

- Adherence to the Governance Charter and Code of Conduct:

We are dedicated to following the established governance procedures, including the Working Constitution, Code of Conduct, and Rules of Engagement, to maintain a respectful and productive environment.

Delegate Statement:

We are a group of young enthusiasts passionate about Web3 and decentralized technologies. Inspired by Optimism's vision of scaling Ethereum through initiatives like the Superchain and supporting the ecosystem via Retroactive Public Goods Funding, we are eager to contribute to this transformative journey.

Our aim is to work collaboratively with other delegates and stakeholders to promote growth, inclusivity, and the adoption of Optimism's Layer 2 solutions. We are dedicated to advancing decentralization, security, and community-driven innovation in all our endeavors.

Conflict of Interest and Resolution Policy:

In our commitment to fostering an open and fair governance platform within Optimism, we confirm that we have no conflicts of interest that could influence our decisions. Should any conflict arise, we pledge to abstain from the related discussions and voting processes, providing a transparent explanation for our abstention. Our goal is to ensure integrity and trust in all governance activities.
