

Address book

The Fetch walletAddress book makes it easy to transfer funds to accounts you frequently use.

If you want to add an address to the address book:

1. From the wallet dashboard click the ☰ icon in the top left, thenAddress book
2. .
3. Select the network this address belongs to, then+ Add New
4. .
5. Fill in the details:
6.
 - Name
7.
 - : the name you give to this account.
8.
 - Address
9.
 - : the account's address.
10.
 - Default memo
11.
 - : the memo used by default when sending funds to this account.
12. Click onSave
13. .
14. **i**
15. When sending funds, instead of writing the address of the recipient you can hit the icon to the right to select an account from the address book.
