

AIP Name:

[AIP-326: Platform to Enable ApeCoin Powered Payments & Rewards for Apps & Games](#)

Implementation Status:

Pending

Author:

[@MIKER](#)

Abstract Summary:

We're proposing the creation of a low-code platform to enable all of the required infrastructure for ApeCoin powered payments and rewards for games. Although the primary focus is browser and mobile games, the platform is also applicable to any web or mobile application.

Overall Cost:

\$480,000 - to be paid in \$APE
