

Composable AVC is proud to publish a weekly newsletter covering MakerDAO governance.

Our newsletter is published on Mirror, and can be enjoyed there, or freely minted and collected using the Optimism blockchain for low gas costs.

You can find all of the newsletters here:[opensky](#)

And the one for the current week can be found here:

[mirror.xyz](#)

Composable Recap 4

Maker's RWA development keeps leading.

Please subscribe to remain up-to-date.

thank you!
