

AIP Name:

[AIP-462: W3GrandPrix - Creating the largest F1 community in WEB3](#)

Implementation Status:

Pending

Implementation Date:

N/A

Author:

[@Pukerainbow](#)

Abstract Summary:

Calling all F1 fans! Introducing “W3GP”, an exciting initiative that aims to merge the adrenaline-fueled world of F1 racing with the culture of Web3. With the most recent Apecoin sponsorship of the BWT Alpine F1 Team, W3GP will further support and amplify the partnership in all fronts

This proposal seeks to cultivate the largest and most engaging community of F1 fans in the Web3 space, leveraging the reach of Pukecast & Rug Radio’s media network, Solly’s IRL F3 experience and Lost’s knowledge of the ApeCoin ecosystem, to bring degens and petrolheads together. The main objective is to attract the millions of F1 fans into the ecosystem with the current Apecoin X Alpine F1 partnership.

Overall Cost:

\$165,000 USD, denominated in ApeCoin
