- Timing games discussion [Timing Games: Implications and Possible Mitigations - Proof-of-Stake - Ethereum Research](#)

Updates from chat:

- mev-boost and relay are code complete for the new builder specs and running on devnet-12 without issues so far
- mev-boost running on tag v1.6.4844-dev5. Being developed on develop-deneb branch
- mev-boost-relay is running tag v0.28.0-alpha7. Being developed on deneb branch.
- Builder supports 4844 and can build mempool 4844 transactions but not bundles with 4844 transactions yet.
