

Consistent with Season 3, reviewers in Season 4 will use rubrics to review grants proposals. The Grants Council is providing the Experiments and Builders sub-committee rubrics here for visibility and community feedback. Please provide comment by Wednesday June 14 for your comments to be considered. Rubrics will be finalized on June 15 at 19:00 GMT. Note that the rubric must relate to questions that are on the proposal forms, which will be published in final form for Cycle 13 on June 7 by 23:59pm PT. The draft proposal forms can be found [here for Experiments](#) and [here for Builders](#).
