

Hey,

I'd like to remind all delegates that the seventh Open Governance Call is taking place this coming Wednesday on 18th of October. Please mark your calendars (or you can subscribe to the [public Arbitrum Governance calendar](#) and always be up to date with our calls)

We'll keep the agenda a bit flexible as before and will adapt to whatever is brought forward by the participants, but some proposed topics are:

1. STIP Reflection
2. Security Council Round 2
3. [\[Non-Constitutional\] Empowering Early Contributors: The community Arbiter Proposal](#) by [@Mysterymen](#)
4. GovMonth - Unveiling Our Forward-Thinking Strategic Framework by [@radioflyerMQ](#)
5. Open Discussion

Please post in this thread if you have something you'd like to bring up during the meeting so we can plan accordingly.

The call will take place again on Google Meet: meet.google.com/ouo-uskg-niq on Wednesday, 18.10.2023 at 4pm UTC/ 12pm EST (same as last time).

We will record the call and publish it later on for a public review, so please keep that in mind.

Hope to see you all on Wednesday!
