

Introduction

Bored Closet is an innovative User-Generated-Content (UGC) platform that's taking the Bored Ape Yacht Club ecosystem by storm. We enable BAYC and MAYC NFT holders to customize their digital assets, opening up a whole new world of creative expression in the NFT space.

What is Bored Closet?

So, what's Bored Closet all about? Well, it's this cool platform where you can jazz up your BAYC and MAYC NFTs with awesome backgrounds and overlays. But hey, it's not just some boring tool - it's a creative playground where artists, projects, brands, and communities all come together to mess around with IP and show off their style.

The Team

ApeCoin Metaverse WG

Bored Closet released ApeCoin Closet (apecoincloset.com) in collaboration with the ApeCoin Metaverse WG for their activation with the Alpine F1 Team. Apes are able to suit up with an exclusive filter by Jacopo Lanza and collect badges during GP weekends.

Thank Ape

We are immensely grateful and honored to have been chosen as part of Group 3 for the amazing ThankApe BBAC program. This recognition not only validates our efforts but also provides us with an incredible opportunity to further contribute to and grow within the BAYC ecosystem.

DashBO

We're teaming up with DashBO, and it's going to make Bored Closet even cooler. We can't wait for you to try it out and see how creative you can get with your apes. This is going to be a game-changer!

Future Plans

The Bored Closet crew got some pretty cool stuff cooking up for the future:

- Expanding the platform with more overlays and backgrounds for BAYC/MAYC
- Forging new partnerships with MBA projects and other NFT communities
- Developing new features to enhance user experience
- Exploring integration with the ApeCoin ecosystem and potential use of ApeChain
