I will work with [@katsu1110](#) san in the coming weeks and try to find something that works for most of us.

## Call for Presentations

Thanks to the strong Japanese community, we had a spectacular speaker lineup for the event last year. You can find the materials from that meetup [here

](<https://github.com/councilofelders/meetups#meetup-3---2023-04-08---tokyo>).

If you're interested in giving a talk this year, please let us know by filling out this [form

](<https://forms.gle/JexWLA3jzLMQHSKEA>).

I will create the sign up page as soon as we have the venue confirmed. I look forward to meeting you all again in Toyko
