

A lot of people ask how they can become a badgeholder and I think some existing badgeholders do not know who to give the voting badge to. I'm opening this thread for anyone who wants to signal their intention to become a badgeholder.

I'm adding a format to keep it civilized and I ask everyone to keep it SHORT. This is introductory and if someone is interested will surely contact you.

You can reply to this post with this form:

Who are you?

Why do you want to become a badgeholder?

What are your areas of expertise?
