How to grow the ApeCoin DAO community with existing Otherdeed land game developers?

It would be a great idea if ApeCoin DAO or the ApeCoin Foundation can provide funding for web3 gaming development with Otherside Metaverse Otherdeed's community. The ApeCoin DAO has already a huge pool of Ape fans. So why not provide funding with open aims like Roblox?

Roblox will give a handful of game developers \$500,000 each to build its future

Roblox will give a handful of game developers \$500,000 each to build its future

Roblox sees its Game Fund as a way to support impressive, visually exciting games that mostly don't look or even work like what the platform is known for.
