Twitter: [@jrnycrypto](#)

CEO and founder of [Aiur Labs](#), [JRNY CLUB](#), [BlockNews.com](#) and more. Also created and built up a Crypto focused YouTube channel to over 600k subscribers during the last bull market.

ABSTRACT:

We proudly present “ArtJourney with ApeCoin: The JRNY Gallery Experience,” a groundbreaking proposal that synergizes the dynamic realms of digital art and cryptocurrency. In partnership with the JRNY Gallery, a leading force in the NFT art scene and an enthusiastic promoter of the Web3 community, this initiative is designed to enhance the visibility and utility of ApeCoin. Founded by JRNY Crypto, a distinguished crypto expert and dedicated Ape holder, JRNY Gallery is a physical NFT Gallery situated in the heart of Downtown Las Vegas’ Arts District. This proposal aims to harness JRNY Gallery’s unique position at the crossroads of digital and physical art worlds, creating a space where cutting-edge technology meets creative expression. This proposal is intended to span for one year, which will start after a month or two of setup.

JRNY Gallery is not just a gallery; it’s a cultural hub, showcasing diverse digital art talents and hosting events that unite artists, enthusiasts, investors, and innovators. By integrating ApeCoin into this vibrant setting, we aspire to cultivate a deeper understanding and appreciation of ApeCoin’s potential, extending beyond the art community into the broader spectrum of digital innovation. Moreover, JRNY Gallery’s prime location within the Arts District becomes particularly significant during the monthly First Friday events, which consistently attract 15,000-20,000 visitors. These events present a unique opportunity for extensive exposure and onboarding of the general public to the world of ApeCoin and NFTs. This collaboration marks a distinctive chance to bridge communities, enhance engagement, and spotlight the transformative influence of ApeCoin in the ever-evolving narrative of digital art.

BENEFIT TO APECOIN ECOSYSTEM:

The “ArtJourney with ApeCoin: The JRNY Gallery Experience” proposal is designed to deliver direct and significant benefits to the ApeCoin community, leveraging strategic branding and community engagement to enhance value. Here’s how we plan to capitalize on these opportunities:

- Maximizing Brand Exposure:

Our collaboration centered around the JRNY

Gallery, especially during high-traffic events like First Friday, ensures that ApeCoin branding and messaging are visible to a large and diverse audience. This exposure is not just about visibility; it’s about creating a connection between ApeCoin and the innovative world of digital art. By associating ApeCoin with the creativity and excitement of the NFT art space, we enhance the brand’s perception as a leader in digital innovation.

- Educational Outreach for Deeper Engagement:

Leveraging JRNY Crypto’s

expertise and platform, our educational resources about ApeCoin are designed to transform curiosity into comprehensive knowledge and active engagement.

These resources, including an educational video and printed materials, will be curated with insights from JRNY Crypto, ensuring they effectively demystify ApeCoin for newcomers while enriching the understanding of existing enthusiasts. This approach transcends the mere dissemination of information, focusing instead on cultivating a knowledgeable and committed community that recognizes and values the potential of ApeCoin.

- Community Events to Foster Loyalty:

Hosting monthly events specifically for

ApeCoin and Yuga holders isn’t just a means to gather the community; it’s an opportunity to strengthen the bonds within it. These events will serve as a platform for community members to connect, share ideas, and deepen their commitment to ApeCoin, creating a more cohesive and passionate user base.

- Utilizing ApeCoin in Transactions for Real-World Utility:

Accepting ApeCoin as

payment for gallery events, merchandise, and artworks translates the digital currency into tangible experiences and products. This practical utility not only demonstrates the real-world applicability of ApeCoin but also encourages its

circulation and adoption, enhancing its value proposition.

- Synergy Between Digital and Physical Presence:

The combination of online

promotion and physical gallery presence creates a synergy that amplifies the impact of each. The physical gallery attracts visitors and media attention, while the digital presence extends the reach globally. Together, they create a comprehensive platform for ApeCoin's promotion, driving both immediate impressions and long-term brand recognition.

In summary, the "ArtJourney with ApeCoin" proposal is crafted to harness the power of art, education, community, and real-world utility to drive not just visibility but meaningful engagement and value for the ApeCoin ecosystem.

Sponsorship Details

The "ArtJourney with ApeCoin: The JRNY Gallery Experience" proposal includes a multifaceted package designed to showcase ApeCoin in the JRNY Gallery:

Gallery Support:

- Two full walls within the JRNY Gallery will be dedicated to ApeCoin, featuring dynamic digital art and information displays. This high-visibility placement and creative showcase ensures that every visitor experiences the essence of ApeCoin's integration with art.

Made by Ape Section:

- A dedicated space in the gallery to exhibit physical creations of Made by Ape, showcasing the community's talent and linking their artistry directly with the

ApeCoin ecosystem. We are committed to collaborating with the community, whether it involves projects Made by Apes or other approved AIPs, to ensure they receive the recognition and platform they deserve.

Gallery Signage:

- A striking, neon sign displaying "Powered by ApeCoin" within the gallery, creating a visually impactful reminder of ApeCoin's presence and support.

Promotional Material:

- Informative and visually appealing printed materials distributed to gallery visitors, offering a tangible take-away that deepens understanding and interest in ApeCoin.

ApeCoin Gift Bags:

- Unique gift bags for visitors to create a memorable gallery experience and foster a sense of exclusivity and community among ApeCoin users.

Monthly Events:

- Regular events at the gallery celebrating ApeCoin and Yuga holders and providing a platform for networking and collaboration

among enthusiasts and artists.

Advertising Inclusion:

- Featuring “Powered by ApeCoin” prominently in external advertising efforts, such as billboards and magazine ads, to extend the reach and recognition of ApeCoin beyond the gallery’s walls.

Gallery Website Promotional Page:

- A dedicated ApeCoin section on the JRNY Gallery website, serving as a promotional gateway into ApeCoin. This page aims to appeal to newcomers and experienced Web3 users alike.

Educational Videos:

- A professionally crafted video from JRNY Crypto explaining ApeCoin’s concept, utility, and vision. Positioned prominently in the gallery and online, this video will serve as a key educational tool for gallery visitors and online audiences.

Social Media Promotion:

- Active promotion of ApeCoin through JRNY Gallery’s social media channels, ensuring consistent engagement with a wider online community.

Events and Community Engagement

The “ArtJourney with ApeCoin: The JRNY Gallery Experience” proposal places a significant emphasis on events and community engagement, recognizing these as crucial platforms for fostering a strong, interconnected ApeCoin community. This segment of the proposal outlines several key initiatives:

Monthly Events for spotlighting ApeCoin and Yuga Holders:

Central to our community

engagement strategy is the hosting of monthly events at JRNY Gallery. These events will provide an opportunity to spotlight ApeCoin and Yuga holders, providing a regular opportunity for members of the community to meet, network, and share ideas. These gatherings could range from informal meetups to more structured events, such as speaker sessions, panel discussions, and interactive workshops. The goal is to create a vibrant, ongoing conversation within the community, strengthening the ties between members and deepening their connection to the ApeCoin ecosystem.

Discounted Events for Verified Holders:

To add an element of exclusivity and reward

community loyalty, we plan to offer discounted access to certain gallery events for verified ApeCoin holders. This initiative not only incentivizes ApeCoin holding but also fosters a sense of belonging and appreciation among community members. Discounted events could include exclusive viewings, artist meet-and-greets, or special workshops.

Showcasing Community Talent and Initiatives: Each event will also serve as a showcase for the diverse talents and projects within the ApeCoin community. By highlighting different Ape holder projects, art pieces, or initiatives at each event, we create an environment that celebrates and promotes the creativity and innovation thriving within our community.

Through these events and engagement strategies, we aim to cultivate a dynamic and supportive environment where the ApeCoin community can thrive, collaborate, and grow together, furthering the collective strength and vision of the ApeCoin ecosystem.

Promotional Activities

The “ArtJourney with ApeCoin: The JRNY Gallery Experience” proposal includes a range of promotional activities designed to enhance the visibility and appeal of ApeCoin.

These activities are aimed at both gallery visitors and the broader online community, creating multiple touchpoints for engagement:

Printed Promotional Materials:

We will produce high-quality, visually appealing printed materials, such as brochures, flyers, and posters, to distribute to gallery visitors. These materials will provide concise information about ApeCoin, its utility, and its role in the digital art space. They serve as a tangible reminder of the ApeCoin experience at JRNY Gallery, helping to maintain engagement even after visitors leave the gallery.

ApeCoin-themed Gift Bags:

To create a memorable experience for visitors, unique ApeCoin-themed gift bags will be offered. These bags could include branded merchandise, information booklets, and possibly limited edition art pieces or tokens. The aim is to provide a tangible connection to ApeCoin, enhancing brand recall and loyalty.

Regular Social Media Promotion:

Leveraging JRNY Gallery’s social media platforms, we plan regular postings about ApeCoin. This will include updates on gallery events,

highlights of ApeCoin-related art, and educational content. Engaging social media campaigns can significantly extend the reach of ApeCoin messaging, tapping into a wider, digitally savvy audience.

"Powered by ApeCoin" Branding:

We will integrate "Powered by ApeCoin" branding into various promotional channels, such as billboards, magazine ads, and digital ads. This consistent branding approach will reinforce ApeCoin's association with creativity and innovation in the minds of a diverse audience.

Collaborations and Partnerships:

Exploring collaborations with artists, influencers, and other galleries can amplify the reach of our promotional activities. These partnerships can lead to co-branded events, joint social media campaigns, and cross-promotional opportunities, further elevating the visibility of ApeCoin. We will also be seeking out other approved AIPs to collaborate with. These promotional activities are designed not just to advertise but to engage and educate, thereby fostering a deeper connection between the audience and ApeCoin. The multifaceted approach ensures that ApeCoin's presence is felt strongly both within the JRN Y Gallery and in the wider digital art and cryptocurrency communities.

Additional Exposure and Acceptance of ApeCoin

The "ArtJourney with ApeCoin: The JRN Y Gallery Experience" initiative also aims to extend the influence and practical application of ApeCoin beyond the gallery, further integrating it into the broader art and crypto communities:

Monthly Articles on [BlockNews.com](https://blocknews.com):

We plan to feature a monthly article on [BlockNews.com](https://blocknews.com), a JRN Y Club platform known for its comprehensive coverage of cryptocurrency and NFTs. These articles will focus on various aspects of ApeCoin, such as its use cases, community highlights, and developments within the ApeCoin ecosystem. This will not only educate a wider audience but also position ApeCoin as a leading token in the crypto-art space.

Accepting ApeCoin for Gallery Transactions:

A significant step towards mainstream adoption, JRN Y Gallery will accept ApeCoin as a mode of payment for gallery events, merchandise, and artworks. This move serves a dual purpose: it demonstrates the practical utility of ApeCoin in real-world transactions and encourages its circulation within the art community. Accepting ApeCoin directly ties its value to tangible goods and experiences, enhancing its appeal to both crypto enthusiasts and art lovers.

Partnerships for Wider Acceptance:

Exploring partnerships with other galleries, art

events, and online platforms to accept ApeCoin can broaden its acceptance and usability. These partnerships will not only promote ApeCoin's utility in the art world but also encourage its integration into other creative and commercial endeavors.

Community-driven Initiatives:

Encouraging the ApeCoin community to propose and lead initiatives that can further the acceptance and exposure of ApeCoin. This could include community-led art projects, collaborations with artists, and online campaigns that highlight the use of ApeCoin in creative contexts.

By focusing on these areas, the proposal aims to create a broader acceptance of ApeCoin, both as a currency and a key part of the evolving digital art narrative. These efforts will help to bridge the gap between cryptocurrency and the mainstream, showcasing the practical and innovative uses of ApeCoin in various domains.

PLATFORMS & TECHNOLOGIES:

Digital Displays:

For showcasing dynamic digital art and information about ApeCoin on two full walls within JRNY Gallery.

Gallery Website:

A dedicated ApeCoin section on the JRNY Gallery website, implying the use of web development technologies for creating an engaging online presence.

Social Media Channels:

For the promotion of ApeCoin and the gallery's events, indicating the use of platforms like Instagram, Twitter, Facebook, etc.

Educational Video Production:

Involves video editing and production technologies, possibly animation and high-end graphics software, to create a video explaining ApeCoin's concept, utility, and vision.

Printed Promotional Materials:

While not a digital technology, the production of high-quality printed materials (brochures, flyers, posters) will likely involve graphic design software.

Neon Signage:

Custom-made, artistically designed light-up signage for in-gallery branding, involving design and manufacturing technologies specific to neon signage.

[BlockNews.com](https://blocknews.com):

For publishing monthly articles about ApeCoin, suggesting the use of content management systems (CMS) and digital publishing platforms.

Digital Content and Media Creation:

Utilizing video and photography equipment and editing software for content creation to promote events and the ApeCoin integration.

Digital Marketing and Social Media Promotion:

This would include the use of digital marketing tools, social media advertising platforms, and possibly influencer marketing platforms.

Event Organization Tools:

For managing and hosting events, possibly involving event management software or platforms like Eventbrite.

ApeCoin Transactions:

Accepting ApeCoin as a payment method for gallery events, merchandise, and artworks suggests the use of cryptocurrency payment gateways or platforms that support ApeCoin transactions.

STEPS TO IMPLEMENT & TIMELINE:

Key Performance Indicators (KPIs) and Plan for Success

- **View Count on Educational Videos:** Aiming for significant reach and engagement, tracking the number of views and interaction rates.
- **Workshop and Event Attendance:** Targeting high attendance rates for workshops and events, reflecting community engagement and interest.
- **Promotional Goods Distributed:** Monitoring the distribution of promotional items as an indicator of physical outreach and brand penetration.
- **Smart Tracking QR Codes:** Utilizing QR codes to track interactions and gather data on user engagement with exhibitions and promotional materials.

Personnel Requirements

To ensure the successful rollout and ongoing operation of the JRNY Gallery AIP, the following personnel are essential:

- **Gallery Staff:** Including curators and operational staff to manage daily activities, oversee the installation of digital displays, and ensure the gallery's smooth functioning.
- **Development Team:** A skilled team responsible for creating and maintaining the ApeCoin landing page, ensuring its interactive and user-friendly design. This team will also oversee the integration of educational content and the management of digital platforms.
- **Event Staff:** Additional help will be required for organizing and managing events, including coordinators, technical support for audio/visual needs, and catering services. This team ensures each event runs smoothly and attendees have a memorable experience.

Expectations from the Ape Foundation

The JRNY Gallery team has specific expectations from the Ape Foundation to facilitate the success of this initiative:

- **Guidance on Dao Goals and Missions:** Assistance in understanding and integrating the Ape Foundation's goals and missions into our messaging. This alignment is crucial for cohesive communication and reinforcing the initiative's relevance to the broader ApeCoin community.
- **Support in Promotion:** Help in promoting the initiative within the ApeCoin community to maximize reach and engagement.
- **Funding and Resources:** Timely release of funds according to project milestones, and support in accessing additional resources or partnerships that can enhance the initiative's impact.

Timeline

- **Initial Setup:** Most of the project goals, such as the installation of digital displays, development of the ApeCoin landing page, and the start of the marketing campaign, are designed to kick off within a month of receiving funding. This rapid deployment ensures that we capitalize on momentum and begin engaging the community without delay.
- **Educational Video Production:** Slated to begin immediately after project initiation, with an aim to release within the first 2-3 months.
- **Website Development:** The development of the ApeCoin landing page on the JRNY Gallery website will commence alongside other initial setup activities, aiming for completion and launch within 1-2 months.
- **Event Planning and Execution:** Monthly events will start to be organized within the first 3 months post-funding, with regular events planned to foster community engagement.
- **Ongoing Development:** Aspects such as the addition of new features to the website, expansion of digital content, and

evolving promotional strategies will develop naturally over time, guided by feedback from the community and performance against KPIs.

This comprehensive approach, grounded in clear KPIs, well-defined personnel roles, alignment with the Ape Foundation's objectives, and a dynamic yet structured timeline, lays a solid foundation for the "ArtJourney with ApeCoin: The JRNY Gallery Experience" to achieve its goals of enhancing visibility, engagement, and value for the ApeCoin community over the course of the next year.

OVERALL COST:

Total Budget: 400,000 \$APE

The budget for "ArtJourney with ApeCoin: The JRNY Gallery Experience" is meticulously

designed to cover all aspects of the initiative, ensuring a high-quality execution for one full year following a month or two of setup. Below is a breakdown of the estimated costs, including the value of JRNY Club provided deliverables:

Gallery Wall Space, Setup and Operation:

Cost: 50,000 APE

High-quality digital displays and necessary renovations for the dedicated walls. Monthly

updates for monitor art and informational displays. Includes a section in the gallery for Apecoin merch, Made by Apes items and other related items.

Educational Video Production:

Cost: 0 APE (Provided by JRNY Club)

Professional-grade educational video, including animation, high-end graphics, and JRNY

Crypto's insight. Designed to be integrated with other Ape Coin Education programs and initiatives.

Website Development and Maintenance for ApeCoin Landing Page:

Cost: 5,000 APE

Advanced web development for an interactive and engaging ApeCoin section on the

JRNY Gallery website, with integrated features like engaging interactive elements,

regular updates, and a user-friendly interface. Where we will direct local traffic that want to learn more about ApeCoin and where we will host the educational videos and materials.

Printed Promotional Materials:

Cost: 15,000 APE

Premium quality printing for a range of materials, including brochures, large format

posters, and interactive QR code-linked flyers.

ApeCoin-themed Gift Bags:

Cost: 50,000 APE

Deluxe gift bags with high-quality branded merchandise, custom-designed items, and

limited edition collectibles.

Digital Content and Media:

Cost: 40,000 APE

Video and photography from major ApeCoin events at the gallery from high-tier local

production companies. Photos and Videos will be shared to help boost ApeCoin

marketing as a whole, as well as within our own ecosystem.

Social Media Promotion and Digital Marketing:

Cost: 50,000 APE

Comprehensive digital marketing campaigns, including paid social media advertising, influencer partnerships, and content creation services.

Event Organization and Hosting:

Cost: 40,000 APE

Hosting monthly events with reserved spaces to discuss Ape Coin and its initiatives.

Advertising (Billboards, Magazine Ads, etc.):

Cost: 80,000 APE

Premium placements in high-traffic areas and leading magazines, with professionally designed advertisements.

Gallery Signage (Light-Up Sign and Other Branding Materials):

Cost: 10,000 APE

Custom-made, artistically designed light-up sign and other high-quality branding materials for in-gallery promotion.

Partnership and Collaborative Efforts:

Cost: 30,000 APE

Engaging with well-known artists and influencers for collaborative promotional efforts and special gallery features.

Miscellaneous and Contingency Costs:

Cost: 30,000 APE

Reserved for unexpected expenses, additional promotional opportunities, or enhancements to planned activities.

A message from JRNY Crypto: Hey everyone, hope you like the gallery proposal. As you may or may not know, ApeCoin is one of my top picks in the Crypto space and I'm huge supporter of the entire Yuga ecosystem. I personally put a lot of thought into this AIP and have held off to do an AIP until now because I wanted it to be something that would make a big impact by not only giving ApeCoin new utility, but also raising awareness and building community around it.

I see massive potential for ApeCoin in the future and hope to see many other ecosystems adopt ApeCoin and build new products using it. This is the first step in adopting ApeCoin as the Aiur Labs ecosystem token.
