About Cyber

Started in Summer 2021 as CyberConnect Protocol, [Cyber](#) is now the L2 for Social, with a mission of making web3 more social by bringing new users & experiences onchain. By participating as a delegate, we hope to bring thoughtful decision-making to the governance process and foster collaboration across the Optimism ecosystem.

Our Commitment

This thread will serve as an open channel for communication, where we will:

- Introduce our voting intents before each vote.
- Share detailed explanations of our decisions post-vote.
- Remain available for feedback and discussion from the community.

We invite you to engage with us and share your thoughts.
